

### Chlamydia

I never know what to rite !!! If you like having sex without condoms lets meet. COGP/CCM. Often ain't got no symptoms BUT can give you sore balls & pain when peeing & penile discharge

### Hepatitis

I make new friends easily. Known as the 'STI of many faces' there is Hep A, Hep B and increasingly Hep C MTE/COGP/VA. I'm mean, keen and dangerous to have . ESPECIALLY B & C

### Gonorrhoea

VERY attractive / character !!! I'm passed on by any sex involving mouth, penis or vagina. I love causing irritation , discharge from your penis & pain when peeing though often skip symptoms Choose me for some fun ? CCM/COGP

### Herpes

If UR looking 4 sore blisters on your penis , bum or mouth , then I'm the virus 4 you !!! MTE

### Syphilis

Old timer returning to the Scottish scene after some time away. Lots to offer the right guy (prefer gay or Bi guys) a sore, ulcers, maybe even a body rash!! Then again I sometimes forget to give you symptoms silly me CCM, though I cause serious trouble if left untreated COGP

### NSU

Hi ... I'm very mysterious ... no one knows the real me .....WLTM some one special I can be a bit irritating BUT YOU WILL keep coming back for more .xx CCM,COGP,

### HIV

Successful retro virus with staying power WLTM anyone for lifelong infection. COGP/MTE. Love bareback sex. Into blood, semen, vaginal fluids and breast milk. Can travel. Condoms and lube users need not apply

### Genital warts

I want you ! I might be common as muck but give me skin to skin contact and I'll do all the rest! MTE, though I hate rejection so don't be surprised if I keep coming back
